Quite a number of our citizens were startled early this morning by the numerous shots that were fired by the Mexicans as a national salute. Several of them thought that the Mexicans had attacked the town, as result of the recent trouble at Naco.

There's always hope while there's One Minute Cough Cure. "An attack of pneumonia left my lungs in bad shape and I was near the first stages of consumption. One Minute Cough Cure completely cured me," writes Helen McHenry, Bismarck, N. D. Gives instant relief. Copper Queen Store.

Kate Sweeney, one of the pioneer residents of Bisbee, was a passenger on the incoming train yesterday from Berkeley, California, where she has made her residence for the past eight years. In early days she conducted a mercantile business here. She owned an interest in the Galita mining claim, which was purchased by the Lowell company early last spring, from which she realized a neat little sum.

For wounds, burns, scalds, sores, skin diseases and all irritating eruptions, nothing so soothing and healing as Dr. Witt's Witch Hazel Salve. Mrs. Emma Bolles, Matron Englewood Nursery, Chicago, says of it: "When all else fails in healing our babies, it will cure." Copper Queen Store.

It is reported that Governor Murphy and his staff will go to New York to participate in welcoming Admiral Dewey who will arrive in that city Sept. 20.

The copper boom is gaining momentum, and when it strikes during the fall and winter the different copper districts of Arizona it will carry new life and a greater prosperity.—Herald.

The game of baseball to be played at the new ball grounds near Don Luis next Sunday, September 17, at 3 o'clock promises to be the greatest game played in Bisbee. Both the Copper Queen office team and the A. & S. E. R. R. nine, have been hard at work practicing for the big event.

Word was received here today that all of Benson, headed by the venerable and best posted baseball crank in Arizona, Fred S. Webster, would be up and help to cheer up the railroad boys.

There will be rooters enough for both sides, and the boys promise to play a good stiff game. There will be no wrangling between the two teams, and those who fail to go down will miss a good game of baseball.

The General Office team has received their suits, and the boys will present a fine appearance when they start to play ball.

General Passenger Agent W.A. Harvey promises to have ample facilities for handling the big crowd.

The following is the list of players on both sides:

C. Q. TEAM. A. & S. E. TEAM.
F. J. Graf, C. D. Rhodes,
M. Delaney, E. Geo. Hagler,
C. F. Nichols, 1B: R. Battenfield,
J. G. Gorman, 2B: J. Eby,
L. B. Srouf, 3B: A. S. Barker,
M. J. Cunningham, SS: S. Fenderson,
F. R. Engle, RF: H. Morfoot,
Chas. Collins, CF: C. Fenderson,
J. S. Williams, Jr., LF: D. Rice.

SUBSTITUTES.
John A. Campbell, W. A. Harvey,
W. Johns, L. Brown,
B. J. O'Reilly, V. R. Stiles.
Umpire, Tim Maloney, Scorer, A. W. Howe.

Dusty Rhodes from Benson is a whole circus behind the bat.

Jim Gorman, the Colorado boy, will never let them get by him on second base.

Bob Battenfield says he will put all the C. Q. boys on the bill by the coke bins, may be not.

Fred Ingle, the San Diego boy, is going to fool some of those wise superstitious people and will get around the bases quicker than you think he can. Just watch him.

Miss Ely is going to try and hit the ball—if she can do so.

Look out for Lewis Srouf, the Kentucky "southpaw" on third for the Queen Boys," he is a wonder, somebody said.

There is a bet up that Haigler will strike out an equal number of men as will Mike Delaney in this game.

Sidney Williams and Chas. Collins with Fred Ingle will look after the garden for the Queen Boys in this style.

Falvey Nichols, the long Texan, is trying to do picket duty on first base for the general office team.

Mike Delaney and Frank Graf, the old reliable battery, are both in fine form and will play the game of their lives to win this game for the C. Q. team.

Mike Cunningham ain't going to do a thing to the ball if he hits it, and the railroad boys want to keep the ball out of Mike's territory if they ever expect to reach first base.

With John A. Campbell, Walter Johns and B. J. O'Reilly, on the bench the C. Q. team has a strong nine, and ought to win.

A Night Of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she could not live till morning" writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at the Bisbee Drug Store and Copper Queen Co.

Situation at Naco.

An Ore reporter last evening visited Naco and found the town as peaceful as if nothing had ever happened. The Mexican guards and cordones have all been withdrawn and the troops of American soldiers have returned to Ft. Huachuca.

The two wounded Mexican guards have been removed to La Morita, where they are both reported as doing as well as could be expected. There are but one or two cowboys in Naco, and from all appearances it is not likely there will be any further trouble.

No word has yet been received from Nogales as to the result of the case against Herron. His friends, however, believe that he will be acquitted of the charge of smuggling without any trouble.

If you had the way to a successful business, now it may save you a lot of expense and pain a year from now. Some people aren't very much concerned about troubles that are a year in the distance, but a year will fly and be a very short time. It's neither expensive nor painful to have little cures as the teeth filled. You'll be obliged for the hint.
